

RESPONSIBLE CAMPER CHARTER

I WILL SLEEP IN "ECO-FRIENDLY" ACCOMMODATION

Look for our "eco-friendly" symbol and discover our selection of authentic, sustainable, responsible accommodation, where you can feel fully connected with nature

I WILL PRIORITIZE LOCAL ACTIVITIES

Seek advice from our campsite owners, true ambassadors for their region. They will be delighted to tell you about their favourite places and give you some good tips about where to go.

I WILL SORT AND SEPARATE MY WASTE

A small everyday gesture, a big environmental change. Give your waste a second life.

I WILL EAT LOCALLY PRODUCED FOOD

Set off and meet the men and women who are the lifeblood of the region and buy directly from local producers, designers and craftspeople.

I WILL BE AN ECO-CITIZEN

A seasoned camper is a responsible camper. Before leaving, take time to do your research and make an informed decision about where to stay. On site, treat both people and nature with respect.

I WILL RESPECT MY NATURAL ENVIRONMENT

Reduce your environmental impact by looking after natural resources and respecting wildlife in its natural habitat.

I WILL CHOOSE GREEN FORMS OF TRANSPORT

Once on site, slow down and opt for an alternative way to explore your destination, on foot or by bike.

I WILL AVOID MASS TOURISM

Time to let go The authentic experience is revealed in the unexpected. Travel in low season to less popular destinations.
